Data Labeling & Annotation

Unlock the Power of Data with Precision Annotation

Data catalyzes innovation in the ever-evolving artificial intelligence (AI) landscape. The key to unlocking its potential lies in precise annotation. At Lumina Datamatics, we specialize in elevating your data to a new level of clarity, transforming it into actionable insights that drive your AI applications to new heights. With unwavering commitment to accuracy and innovation, we are your trusted partner in the journey toward data-driven excellence.

Quality Assurance

While committing to quality assurance (QA), Lumina Datamatics prioritizes data accuracy and security, delivering error-free solutions tailored to clients' specific requirements. Our stringent validation processes and advanced encryption ensure the reliability, confidentiality, and integrity of sensitive information. Upholding the highest standards, we've earned trust across diverse industries for our unwavering commitment to data excellence and security.

Industries Served

Healthcare

Automotive

Retail

Finance

Agriculture

Construction

Manufacturing

Media and Entertainment

Our Data Labeling and Annotation Services include:

- **Audio Annotation:**
  Our audio annotation services are comprised of speech recognition, speaker identification, and audio classification.

- **Image Annotation:**
  We have expertise in object detection, image classification, semantic segmentation, bounding box annotation, polygon annotation, and more.

- **Video Annotation:**
  We specialize in precise object tracking, perfectly following objects through video frames. Moreover, our expertise extends to recognizing actions, and accurately identifying human behaviors in video sequences.

- **Text Annotation:**
  Our text annotation services include entity recognition (NER), part-of-speech tagging, and sentiment analysis.

Benefits of Lumina Datamatics' Data Labeling & Annotation Services

- Highest quality results with the latest tools/technologies

- Streamlines the data preparation process, saving time and resources

- Scalability to accommodate the needs of any project, regardless of size and complexity

- Cost-effective and customized solutions that fit every budget.

About Us

Lumina Datamatics is a strategic partner to global analytics and technology solutions companies. We offer comprehensive data labeling and annotation services that can unlock the true potential of your data. Lumina Datamatics' expert solutions combine its various in-house and client-facing platforms, partnerships with global technology leaders, and more than 3,500 professionals across the United States, UK, Germany, Philippines, and India.
